

**TENNESSEE GENERAL ASSEMBLY
FISCAL REVIEW COMMITTEE**

FISCAL NOTE

HJR 636

February 12, 2014

SUMMARY OF BILL: Designates February 28, 2014, as Rare Disease Day in Tennessee and encourages all Tennesseans to educate themselves about the reality of rare diseases across the state and nation.

ESTIMATED FISCAL IMPACT:

NOT SIGNIFICANT

Assumption:

- This day shall not be a legal holiday as defined in Tenn. Code Ann. § 15-1-101. Therefore, the fiscal impact to state government is not significant.

CERTIFICATION:

The information contained herein is true and correct to the best of my knowledge.

A handwritten signature in black ink, appearing to read "Lucian D. Geise".

Lucian D. Geise, Executive Director
